

## How to Install Free Microsoft Office Student and Connect Student Office365

1. Go to: <https://www.microsoft.com/en-us/education/students>
2. Enter your **@my.fortis.edu account** student email account.

3. Choose I am a student. Microsoft will send a code to your my.fortis.edu account. (if you cannot get into your my.fortis.edu account, contact your portal admin)
4. Fill out the form, and enter the code that was sent.

5. Log in to your new office account at <https://portal.office.com>

6. You can now download the office applications to your computer by clicking install office.
